Yes. Am ok with it. The statute prohibited distribution in commerce within two years after Jan.1, 1977 so I believe using 1979 is correct.

**Deliberative Process / Ex. 5**

Neighbors to the site have complained for years about airborne debris blanketing their property. I was also hoping to learn more about PCBs and whether this level recorded (6.75ppm) poses any risk for those residents living near the site.
